TRANSMITTAL SLIP 1/16

REMARKS: This is not a concurrence, nor is it a disapproval. It seems that [redacted] objection is to continuing the course with himself as instructor. I don't think our plans contemplated his continuing to be the instructor. And his desire for a written version of the course is taken into account in para. b (2). I believe we are now in the clear to go ahead with the training program as authorized. I certainly hope the above is true.
